Our sister school, Winterfold, is a few miles outside of Bromsgrove near the picturesque village of Chaddesley Corbett; its extensive grounds are ideal for evening balls, weddings and other celebrations.

Set in the idyllic Worcestershire countryside, Winterfold's forty acres of grounds have open views of the Malvern Hills and surrounding farmland. The grounds include beautifully maintained gardens, perfect for that all important wedding album.

If you would like to hold your wedding reception at Winterfold, there are a number of picturesque country churches for both Church of England and Catholic weddings within a five mile radius. The Worcestershire Diocese are happy to advise about venues for a church wedding.

Large marquees, gazebos, staging and other temporary structures can be erected either outside the main house or on the large lawned areas. There is ample parking on site.
